Introductions/Announcements/Presentations

Evan McMillan Asst. Director/County Engineer– Riley County Public Works March 7, 2023

- Grant applications are underway and we are in the process of applying for the USDA grant/loan and State Revolving Fund loan. I will send out an update when these are complete as they are fairly lengthy. We will continue to look for other funding programs as they come available.

Evelyn Clark – Riley County Public Works

- The water tower is due for an evaluation. This will be taking place on Monday, March 20th. The company stated this will be completed in one business day. There is prep work to be completed beforehand, this will start next week. You could notice a slight change in your water pressure, but nothing major. If you do experience a significant change please call the office at 785-537-6330 and let us know.
